

Senior Activity Tickets To Be Ready June 1

Bids and tickets for Senior Week activities will not be available until June 1, it was announced at the Senior Class Council meeting yesterday. After this date they may be picked up in the Graduate Manager's office.

Bob Beth made the motion that the Senior Ball be open to juniors at the regular price of \$3.50 in order to keep the senior budget out of the red. This was defeated; however, Bill Hushaw, Senior class president, said it might be brought up again at a later meeting.

Beth reported that everything is set for the Senior Variety show to be given in Morris Dailey auditorium Thursday.

Because Monday is a holiday, Hushaw announced that a special meeting will be held Tuesday at 3:30 p.m. in Room 24.

A Junior class snow-cone sale will be held tomorrow beginning at 9:30 a.m. and lasting until 2:30 p.m., according to Phil Trowbridge, Junior class president.

This is the fourth of a series of sales the class is sponsoring for the purpose of paying off the debt which it has accumulated. The sale will be held in the Outer Quad and the price of the cones is 10 cents.

The Junior Class Council, at its regular Monday meeting, passed a resolution indicating they will sponsor an after-game dance after the Fresno football game next fall.

SOPHOMORE CLASS

The Sophomore class was notified yesterday at its council meeting that it must submit a budget for next school year before May 31.

Plans for a dance after one of the two home football games next season will be obtained.

FRESHMAN CLASS

Final plans for the Frosh-Soph Mixer, Friday, June 4, at Alum Rock Park, were discussed at yesterday's Freshman class meeting.

Reports from student reporters and election of student editors for The Spartan from the Start, student information handbook, will be decided tomorrow at 3 p.m. in Room 106, according to a report from Madeline Plancher, student member.

No meeting will be held next Monday because of Memorial Day and the final meeting of the quarter, June 7, will feature a party chairmanship by Bob Weiss.

There is no admission price.

The final set of one act plays will be given Thursday at the same time and place and the last showing will be Friday when the final set will be repeated.

APhiO's Jumping Frog Wins Collegiate Title

Alpha Phi Omega's "Spartan Babe" leaped 12 feet 9 inches to win the World's Intercollegiate Frog Jumping title and place eighth in the Calaveras County International Frog Jumping contest at Angel's Camp.

Alpha Phi Omega was awarded the foot high gold trophy signifying their triumph over "Sig" McCarthy, a croaker entered by Sigma Chi fraternity. The intercollegiate contest was performed Sunday just before the World's Championship jumps.

The final jumping was done in the Angel's Camp round arena with more than 9000 frog jumping fans watching the contest, according to Ray Ward, APhiO chief frog trainer.

Most of the membership of both fraternities traveled to Angel's

Camp to root for their frogs.

Ward stated that since the entrance of two SJS frogs in the Calaveras contests other colleges in the region have expressed their intention to enter next year when APhiO will defend their intercollegiate championship.

"Spartan Babe" lost to a frog named "Lucky Luger" in the finals, who set a new world's record with a 16 feet 10 inches jump.

"Spartan Babe" was awarded a blue ribbon for being the largest frog.

Queen for the frog jumping contest was Miss Ardith Leach.

All of the money was in small change that had been collected from personal contributions. Police were called by the sorority but said there was little chance of locating the money.

Four Year Degree In Nursing Field Will Be Discussed

Possible establishment of a four year curriculum for a B.A. degree in nursing will be discussed this week as the nursing education department hosts Dr. Margaret Bridgman, nationally known consultant for degree programs in the nursing fields.

Dr. Carl D. Duncan, chairman of the Division of National Science, said he talked with Dr. Bridgman and other persons in the nursing education field Wednesday at a conference in Monterey, where the subject of B.A. degrees in nursing was discussed.

In her three day stay, Dr. Bridgman also will visit hospitals in the area where many of the SJS nursing students come.

Dr. Duncan told that SJS now does not have a full scale nursing program but he hopes that one may be developed in the future.

As many as seven years are now required for registered nurses to earn their B.A. degrees.

Arrangements for Dr. Bridgman's visit have been made by Miss Grace Staple, head of the Nursing Education department.

Also in attendance at the Monterey conference with Dr. Duncan and Miss Staple were Mrs. Rizpah Lindstrom and Miss Pauline Davis, of the Nursing Education department.

TV 'Recreation'

LAKE CHARLES, La. (UP)—Television station KPAG announced recently it had broadcast a first television "recreation" of a baseball game from wire reports and said the response was "immediate and great."

What the television audience saw was a model of a baseball field with a light showing at each player position. As a Morse wire furnished a report of each pitch, engineers switched the lights showing player moves.

Sports Director Sam Tarleton said he called the plays as they were announced over the wire and also gave the signals to the engineers who were working the lights.

A full crew of technicians was on hand to furnish other effects simulating an actual baseball game by dubbing in crowd noises and focusing other cameras on billboards advertising the program's sponsors.

The game being broadcast was one being played in the Class C Evangeline League at nearby Lafayette. Tarleton said another such broadcast would be made next week.

GOOD SPORTS

Saturday was Mickey Maramonte's birthday and the track team was performing in his hometown, Modesto, so the low-hurdler's parents thought it would be a good idea to give Mickey a surprise party. They prepared for about 15 guests and 42 showed up. Roy and Mrs. Maramonte didn't bat an eye. They kept pulling tables and chairs from every part of the house. If you hear anyone on the track team complain that they didn't get a banquet this year refer them to us. Incidentally, Mickey was really surprised and pretty darned pleased with the wallet the track team presented him. Broad jumper George Watts waltzed in with the prettiest unexpected guest. She was Miss Joan Guppy, Queen of the California Relays. How'd you do it, George?

HE WAS CONFUSED

Dave Uribe was in Modesto with us and came up with a funny. Dave looked at the street sign at the corner of I St. and 10th St. He couldn't figure out how First and Tenth crossed each other. Neither could we until we saw J St.

PRESS SEAT GUEST

After we traced down Wayne Christian to get our press seats, we ran into Coach Bud Winter and told him that one of the high school kids could sit with us if there were any there who were thinking about coming to San Jose and had contacted him. Bud came up with a ninth grader—his own son Mike.

DON HUBBARD, ace San Jose State two-miler, has been invited to compete in the Compton Relays Friday night. Hubbard holds the SJS record for that distance. Last Saturday he was clocked in 4:19.7 for the mile, his best effort at that distance.

SJS Basketball Mentor Slates 19 of 26 Tilts

Coach Walt McPherson announced yesterday that 19 of a desired 26 basketball games have been scheduled for the 1954-55 basketball season.

Included among these are 12 league games in the California Intercollegiate Basketball League, two games each with Fresno State and San Francisco State and a road trip with three mid-western teams. According to Coach McPherson, the games on the road will be with Beloit, Marquette and the University of Washington in St. Louis, Mo. Beloit and Marquette are in Wisconsin.

Don Glass Leads Varsity Golf Team

Don Glass led the varsity golfers with an average of 72.5, according to statistics released by Athletic Publicity Director Danny Hill.

Glass won three matches, lost two and tied three in totaling his season average of 72.5 per round.

Overall the varsity won four matches, lost three and tied one.

Loren Mattson won the most matches, six. Glen Dooley and Jack Samuelson ran Mattson a close second, winning five each.

The golfers and their won and lost records and average scores: Glass, won three, lost two, tied three, averaged 72.5; Dooley, won five, lost three, averaged 74.2; Mattson, won six, lost two, averaged 75.9; Samuelson, won five, lost three, averaged 77.7; Fred Wool, won three, lost five, averaged 80.1; Fred Soares, won none, lost five, averaged 79.6; and Bucky Levin, won two, lost one, averaged 79.6.

Rhodes Leads Pentathlon; Kreyenhagen Sets Record

By JOE BRYAN

A smaller field than usual turned out yesterday for the first day of competition in the pentathlon and decathlon, according to Track Coach Bud Winter. Coach Winter said he expects a larger turnout for the rest of competition and athletes who have entered but did not compete yesterday, may make up the event they missed.

Leaders of the pentathlon are: Varsity division—O. W. Rhodes, 77 points; Stan Dowell, 69; Ed Kreyenhagen, 67; Bill Stephens, 62; Jack Albani, Don Hubbard and Gene Tognetti, 57. Novice division—Larry Collier, 77; Norman Ponti, 76; Dick Barnes, 63; Jack Booher, 62; Louie Gambello, 61. Fraternity division—Norm Ponti, 76; Barnes, 63; and Booher, 62.

At the end of the first day's competition more Kappa Tau entries had competed than any other fraternity's.

Kreyenhagen ran an 8.5 race in the 75 high hurdles which Coach Winter stated was an all-time record for San Jose State. This gave Kreyenhagen 840 points for that event and combined with his shot put and javelin points put him in

the lead for the Varsity decathlon with 1400 points. Dowell had 1190, Rhodes, 1040; Allen Hugo, 890; and John Bragg, 600.

Barnes leads in the Fraternity decathlon with 1260 points.

Although Kreyenhagen and Dowell are leading at the present time, the man to watch at this stage of the decathlon race is Rhodes. Points are scored on an achievement basis and with today's event being the pole vault, Rhodes could wipe out the early leads with one of his better vaults.

A battle between he and Kreyenhagen can be expected in the 100 yard dash and the 220 yard run. Dowell, who fills in on the mile relay team occasionally, cannot be counted out of these running events either.

Favorite at this stage of the game for the Fraternity pentathlon is Ponti, a basketball player on Coach Walt McPherson's cage squad. Decathlon favorite in the Fraternity division must be Barnes. The Novice division is wide open since pre-meet favorites Billy Jo Wright and Don Armstrong did not compete yesterday. Wright is nursing a bad ankle and Armstrong was ill.

Peggy Major Announces New Alumni Day Agenda Features

Two outstanding features have been added to the traditional Alumni Day program slated for Saturday, June 5, according to Peggy Major, executive secretary of the Alumni Association.

A roundtable discussion on the question, "Should We Educate For Rebellion?" will be held during the afternoon with several members of the faculty participating. Dr. Arturo B. Fallico, professor of philosophy, will be moderator.

An open-air dinner-dance, the other new event this year, will feature a rustic setting and a band especially engaged for Alumni and guests.

Other events during Alumni Day will include a barbecue steak luncheon on the campus, a special 45-minute concert by the San Jose State College Symphonic Band, directed by Dr. Robert W. Fiester.

The Alumni Golf Tournament will be played at Hillview Golf Course, and a meeting of the Golden Graduates, a group of alumni for 50 years or more, will be held.

Classes receiving special recognition this year will be graduates of 1904, 1929, and 1944.

Reservations for the golf tournament, luncheon, and the dinner-dance must be placed with the Alumni Office by June 1, Miss Major stated.
